Certificate Course on Legal and Financial aspects of Corporate Law

Course Overview:

This course is designed to provide law students with an in-depth understanding of both the legal and financial aspects of corporate law. It aims to bridge the gap between theoretical legal education and practical financial knowledge necessary for effective corporate legal practice. Through a combination of lectures, practical exercises, and case studies, students will gain comprehensive insights into corporate governance, financial management, regulatory compliance, and strategic decision-making in the corporate context.

Course Objectives:

- To understand the fundamental principles of corporate law and corporate finance.
- To analyze the legal and financial frameworks governing corporate entities.
- To develop practical skills in corporate governance, financial analysis, and regulatory compliance.
- To prepare students for careers in corporate law, finance, and related fields.

Course Duration: 15 Days (45 Hours)

Course Dates: 1st March to 18th March 2023
