**Report on the digital celebration of 130<sup>th</sup> Birth Anniversary of  
"Bharat Ratna Dr. Babasaheb Ambedkar" dated 14 April 2021**

Every year the Hindi Vidya Prachar Samiti's College of Law used to celebrate the Birth anniversary of our architect of Indian Constitution Bharat Ratna Dr. Babasaheb Ambedkar with full enthusiasm. This year due to the COVID -19 virus spread it was not possible to celebrate this auspicious day physically in the college. But this would not hinder our honest dedication to celebrate this day through digital platforms.

The College had conducted online the Essay Competition on the theme of "Dr. B.R. Ambedkar and his contribution to the Indian Society in political, social, educational, legal and feminist aspects." This was an Inter-class competition and we have received a very promising number of essays from all different classes of our college through their individual email address. This denoted student's active participation and how they are truly inspired by the legal and social philosophy of Dr. Babasaheb Ambedkar.

This year was 130<sup>th</sup> Birth Anniversary of Dr. Babasaheb Ambedkar but still he is alive in the heart of every Indian citizen as during his entire lifespan he struggled against all kinds of discrimination which prevailed in the Indian society, since many years. Dr. Ambedkar was truly an inspirational figure with a multidimensional personality. He has not restricted himself to only politics but he was an Educationist, lawyer, social reformer, legal reformer, father of Modern India, Economist, Feminist and saviour of a big chunk of population called as Dalits.

The main motto of celebrating this day is to imbibe in the minds of our students the great and philanthropic work done by Dr. Ambedkar. Our students also wrote very insightful essays in their own words and paid small tribute to this great man. The College is giving recognition to our student's efforts through rewarding them by E-certificate for their participation. The College also had ranked first three students for their extraordinary intellectual efforts in this online Essay Competition. We always need to remember Dr. Ambedkar's work done for the entire humanity and he is in the true sense our National Hero. The outcome of this Essay competition we can relate with one of the quotations given by Dr. Babasaheb Ambedkar "Cultivation of mind should be the ultimate aim of human existence"
