Report on World Hindi Diwas

Hindi Language-just as its name is as jingling as a music to the ears when heard, powerful, mighty and having a sense of belongingness when spoken and as mesmerizing when written.

World Hindi Day, also known as Vishwa Hindi Diwas, is celebrated on January 10 every year by Hindi enthusiasts across the world to mark the importance and celebrate Hindi as a language. The purpose of this day is to create awareness about the Indian language and promote it as a global language around the world. It is also used to create awareness about the usage of the Indian language, and about the issues persisting around the usage and promotion of the Hindi language.

On this account, the Hindi Vidya Prachar Samiti's College of Law inaugurated in college premises the Preamble of the Indian Constitution in both English and Hindi language. This year the theme was "Hindi – Traditional Knowledge to Artificial Intelligence". In charge Principal of the college, Dr. Mrs. Madhura Kalamkar spoke about the need to promote and globally recognize Hindi language around the world. She also stated that such celebrations give us an opportunity to celebrate the contributions of Hindi speakers and to encourage a love towards the language.

The program concluded beautifully in the presence of the faculty and student volunteers. The program was indeed creative, information - busted and full of enlightenment and brought before us all never known facts before us about our Hindi Language and boosted the morale of all to work for the encouragement and spread of Hindi language and culture and take it to great heights.
