World Environment Day 2023 - 5th June 2023

The Internal Quality Assurance Cell (IQAC) of Hindi Vidya Prachar Samiti's College of Law had organized a Guest Lecture under the guidance of I/C Principal Dr. (Mrs.) Madhura Kalamkar and IQAC Coordinator - Asst. Prof. Amar Salve, on the topic - "**Waste Management for a Better Tomorrow**". Reputed Environment Consultant Ms. Rashmi Joshi conducted this lecture. The Guest Lecture started with an opening address by Asst. Prof. Shriya Prabhu, event coordinator, followed by an introduction of the Guest Speaker by Asst. Prof. Amar Salve. The lecture was very informative wherein the guest speaker informed everybody about the various forms of waste such as wet waste, dry waste, bio-medical waste, e-waste, etc., the importance of segregating waste, various easy to reduce, recycle and reuse. As the theme for this year's Environment Day was "**Beat Plastic Pollution**", Rashmi Joshi Madam also focussed on the various ways in which plastic can be reused such as in the form of Eco Bricks and cheaper alternatives to Plastic. Thereafter, I/C Principal, Dr. (Mrs.) Madhura Kalamkar shared her thoughts and knowledge on the issue with everyone. She shed some light on how Pollution is a man-made phenomena and has destroyed the beautiful environment created by the almighty. I/C Principal, Dr. (Mrs.) Madhura Kalamkar also enlightened everyone with the information on various International/National Conventions & Protocols such as Stockholm Convention, Ramsar Convention, Kyoto Protocol, etc. which have laid down guidelines to regulate environment pollution. Thereafter, she felicitated the Guest Speaker Ms. Rashmi Joshi Madam. The Guest Lecture concluded with a vote of thanks by Asst. Prof. Rituparna De followed by the National Anthem.

Outcome:

1. All the faculty members, students and everybody present for the lecture pledged to dispose of waste in a responsible manner and to act consciously to ensure a better, healthy and beautiful world with a healthy environment.
2. The students gained knowledge about ways in which they can reuse plastic and substitutes of plastic.
3. A healthy interaction with the Guest Speaker also led to an exchange of creative and unique ideas such as edible cutlery, etc. to reduce the use of plastic amongst other non biodegradable materials.
